This data comes from the VHPA's copy of the Army Goldbook database that contains a monthly report by aircraft of hours flown, accumulative hours on the airframe, and the unit. Data from the VHPA's Helicopter database that contains details from accident reports, battle damage reports (including crew injuries) plus aircraft disposition (repaired or removed from inventory). The 'From' unit identifies the previous unit prior to being assigned to this 7/17th Cav unit. The 'To' unit identified the unit who received the aircraft from this 7/17th Cav unit. The 79th Transportation Company (Aircraft Direct Support) was located at Qui Nhon. The 388th Transportation Company (Aircraft Direct Support) was located at Vung Tau. The 604th Transportation Company (Aircraft Direct Support) was located at Pleiku. LTI means Lost To Inventory. The Army used this term to mean the aircraft was destroyed and therefore removed from inventory.
